Vinod Patel dan Skutis Corporation memperkenalkan skuter generasi terbaru yang 100% menggunakan tenaga listrik. Di Timor-Leste maupun Indonesia, skuter ini dikenal dengan nama skuter listrik ("SKUTIS"). Kami juga mendistribusikan aksesoris untuk sepeda dan skutis, serta pakaian sebagai bagian dari gaya hidup masa kini.

Vinod Patel and Skutis Corporation present the next generation of kick-scooters, powered 100% electronically. In Timor-Leste and Indonesia, these scooters are known as "skuter listrik" or in short SKUTIS under the brand SKUTIS GEAR. We also distribute modern bicycle and skutis accessories as well as fashionable life-style wear.

SIX REASONS PEOPLE LOVE SKUTIS
