**“SPRING HAS SPRUNG IN DILI”**

Portable kitchen gardens for sale – herbs, tomatoes, bok-choy and a variety of vegetable plants

100% of the profits go directly to our Centre.

Our Learning Centre (Sentru Formasaun ba Juventude no Comunidade) is a private Centre established in 2016, to empower the people of Timor-Leste. The Centre consists of an English school, gym and women's sewing centre. There are over 500 members who use this facility at no cost (free). The Centre is funded by our own money and donations from money raised and we employ 6 Timorese staff. To make it sustainable we are selling assorted items from our sewing and garden centre.

A variety of items have been made by women at our sewing school. By purchasing these items, you are helping the women earn money to support their families and you are also supporting with the running costs of our Centre.

Address: "Sentru Formasaun ba Juventude no Comunidade" Comoro River Road, Malinamuc – opposite RMS Engineering and Construction.

Opening Hours: Monday to Friday - 8am-12noon/2pm-7pm  
Saturday – 8am – 12 noon

Our project is registered under Rotary Australia World Community Service (RAWCS) and donations on line are tax deductible. To learn more about our Centre, follow us on FB – [Timor Learning Centre](#)
