TIGER BEER REVEALS NEW CAN AT ARTE MORIS 15th ANNIVERSARY PARTY

For the first time in the history of Tiger Beer in Timor-Leste, the brand has introduced the new 250ml can format to local consumers. The smaller sized can brings two additional benefits to the world-acclaimed Asian lager, the beer stays cold until the last drop and the lower price point is accessible for more people. The brand brings to life the belief of "Creativity with Purpose" in Asia's youngest country, to inspire and ignite local artists to be courageous and uncage their talents. Tiger beer challenged the creative thinkers at Arte Moris to repurpose discarded materials used by the brewery. Three innovative artists produced an outstanding Tiger canvas at the birthday mash-up event bringing together the next generation of artistic talents in dance, art and music. *Photography by: Wayne Lovell*
