St Patrick's BIG Bash!

What a screamer of a St Patrick's Day party at Nautilus Saturday night 17th! It's people that make parties and we had a great bunch of happy 'lads and lasses' all dedicated to having fun. Thanks to Bruce and Toy for being perfect hosts, Toy also putting up most of the decorations, thanks to the staff, to Tracey and the choir. A great job. Thanks to the unstoppable, David Green, Chris Durman and Mark Hamill for their live and lively entertainment. Tracey gets a second mention for the Guinness cake and thanks to Guide Post for bringing in the Guinness and the decorations plus the adverts in the Mag and on facebook. We had about 125 revellers including two chaps who were stuck here due to cyclone Marcus and a young Irish couple who were looking at a dismal St Patrick's day until they spotted the advert in Guide Post. I think we impressed them. We also had Guinness, a quiz, door prizes and green beer but above all we had FUN. The 'Craic' was a plenty. So, until next year (it lands on a Sunday by the way) remember to greet people with a 'Top o' the moinn to ya' and remember the correct response is, 'and the rest of the day to yourself.' sláinte! (pronounced slancha. It's a toast to health)

The visiting Irish couple.
